### THE REAL TEST

Of Herpicide is in giving it a "thorough trial."

There is only one test by which to judge of the efficiency of any article and that is by its ability to do that which it is intended to do. Many hair vikors may look nice and swell nicely, but the point is—do they eradicate Dandruff and stop falling hair?

No, they do not, but Herpicide does, because it goes to the root of the evil and kills the germ that attacks the papilla from whence the hair gets its life.

Letters from prominent people everywhere are daily proving that Newbro's Herpicide stands the "test of use."

It is a delightful dressing, clear, pure and from all or groups.

Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

during the past few weeks has given his entire time towards the encouragement and building up of many lodges, had almost lost his voice in consequence, and portions of his address were read by other officers.

The grand warden reported that April 1, 1908, the order in Connecticut had 13,461 members; April 1, 1909, the membership is 14,337. Three lodges have been instituted, one each in Danbury, Waterbury and Norwalk, and the grand warden has made 185 visitations to lodges in the state during the year.

Early in the season the grand lodge offered various prizes to lodges in the state, three of these being won by Natchaug lodge of Willimantic. This lodge wins the percentage prize of \$20, having a gain of 142 per cent, also a set of four banners for a gain of 46 benefit members from September to April, and its presiding officer, Lyman Maine, Jr., wins out on the \$20 prize gold watch as bringing in the most candidates during the year. J. L. Wheeler of New London is deputy over this lodge and naturally he is highly pleased with the results shown by the energetic work of members of the lodge. Capital lodge of Hartford wins out on initiating the largest number of candidates.

The grand lodge session next year will be held in Bridgeport.

There is more catarrh in this section of the country than in any other. It is put together, and with the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment pronounced it incurable. Science has proven that catarrh is a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by Chas. E. Hall & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circular, containing full particulars, address F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c. Make Hall's Family Pills for constipation.
